Ladies! Do you need a quick getaway? Time to reset + refuel, or just relax? A space that will make you feel like you are on vacation, 100's of miles away from home?

Join our Mighty Mermaid Cruise on Jordan Lake, Apex, NC. We meet the third Thursday of every - warm - month. Climb aboard Lady Bentley, our 24' pontoon boat, put on your sunglasses, and take off your shoes. Elizabeth, your seasoned captain will tour you around.

Wine, cheese + sparkling water will be served. All you have to do is show up and take in all that nature has in store for you.

Our mission is to flow with life, challenges + celebrations, and remember that we are indeed enough. We release the perfect imperfections and experience and ease with self, that is... priceless.

Our on-going Mighty Mermaid Tribe is a piece of heaven on earth. Oh, and you're automatically a mermaid when you set foot on Lady Bentley.

Come as you are. Again, maybe celebrating, or maybe going through tough challenges. Show up. That's the first step in feeling all that life has to offer for you.

*This one simple choice transformed my day(s). I had always wanted to Mermaid cruise, but the voice in my head shut me down because I didn't know what to expect. That day, I chose to sign up and show up. And it was transformative. Not just the experience of the gentle water, but the awareness of where else in my life have I stopped myself, and with this new mindset, what other amazing things will I experience because I choose to choose differently?! - Nancy*

*There's something special about being a Mighty Mermaid. On this cruise, I did feel at ease with myself and my life. When I stepped off the boat, I had a new lightened perspective of work, home, and the importance of play. - Cindy*
